What We Do & Why it Matters

- VINAdental is a **nonprofit dental clinic** established in 2008 in Brighton, Michigan
- All of the patients at VINAdental have **no dental insurance and income at or below 250% of the Federal Poverty Level**
- The **out-of-pocket cost of dental care is too great** and many patients do not have access to affordable dental care without the services of VINAdental
- Many patients at VINAdental have not had dental care in **years or even decades**. Many experience **frequent pain, health complications, lack of confidence, difficulty eating and other adverse effects** from this lack of dental care
- VINAdental patients only pay **\$25 per appointment** and **\$10 for routine hygiene visits**
- VINAdental is funded through **special events, donations, and grants** (no federal or state funding)
- Local dentists and specialists **donate their time and services** to help provide dental care to those in need

VINAdental Patient Testimonial

“I want to let you know just **how much your clinic has meant to me and my family**. After retirement from the U.S. Air Force, I found that I was left without dental coverage. Over time my dental health failed and I lost some teeth.

Employment opportunities became harder to find and people don't treat you with as much respect or kindness when you are missing teeth. I lost what smile I had and some time ago I just stopped smiling.

Since I found VINAdental and its wonderful volunteers and staff, I have found my smile again and go out of my way to share it with everyone.”
