## What We Do & Why it Matters

- VINA is a **nonprofit dental clinic** in Brighton, MI (est. 2008) serving patients with no dental insurance and incomes **at or below 250% of the Federal Poverty Level**.
- Without VINA, many patients would have no affordable dental care and often go years without treatment, resulting in pain, health complications, difficulty eating, and loss of confidence.
- Patients pay **\$25 per appointment** and **\$10 for routine cleanings**. VINA is funded through events, donations, and grants, and local dentists and specialists donate their time (no federal or state funding).

## Making a difference

“Everyone at VINA is absolutely wonderful. In short, **my experience was my personal miracle** and everyone involved I consider to be an angel.”  
~ VINA Patient

“**VINA made me smile and continues to make me smile.** I went almost 7 years without seeing a dentist before I found VINA. From the first minute I contacted VINA, I felt like **there really are people in this world who care.** The compassion and thoughtfulness were instantly noticed. I felt comfortable and confident that I was going to get the best dental care.”
